PRESS CENSORSHIP. Master and Doctor Francis Rabelais

the Inventor.

It Twixt a Pair of Music Murderers. EDITOR OF THE SUN-SIT s not to Kitchener nor the British War Department that credit should be given for the rigid press censorship, but to a physician, Rabelais. In his "Pantaa physician ph means of doing away with the pest who gruellan Prognostications" he says:
"Since, then, they are so ready to ask after news, and consequently the more glibly swallow down every flimflam story that is told them, were it not expedient that some people, on whose faith we might depend, should hold officers of intelligence on the frontiers.

"Analy and says with the pest who whistles in public conveyances.

The pest is found not only in the cars but at the theatre where he tries to whistle the tunes played by the orchestra and he drums on the back of our seats, always out of time.

Unfortunately, I happen to have one tra and he drums on the back of our seats, always out of time.

Unfortunately, I happen to have one on each side of me in the office where I am employed; one of them hums and the other whistles, and between the two

WESTBORO, Mass., February 6.

Jackassery

Permit me this brief expression of my admiration of your leader in this morning's Sun under the caption "Spooks at Washington." I am particularly enchanted with the control of the sun and the sun an other than the long eared beast be more ruly emblematic of the Democratic party as it is distinguished to-day by its professed leaders in and out of Congress?

Underwood and Fitzgerald Warn Congress That Economy Is Imperative.

NEPOTISM IS CHARGED

WASHINGTON, Feb. 6. - Another warn-However, probably the simple nota-tion, for it bears all the primitive nota-tion of a folksong, languished or was tion of a folksong, languished or was be reduced if the Damocraile Conwants to prevent bankrupting the Ti

miraculous escape of King James I. ury. Mr. Underwood's warning was chere and only causes the enterprising of hesitate and delay their plans for he future.

With an increase of at least two billion dollars in the value of the products on dollars in the value of the products on dollars and other output of farms.

dered sung in every contained of Dutch catraction, named Dr. Jan Bull, arranged a hymn entitled "God Save Great James Our King" to the ancient melody. Thus was born what was destined to be the product of the pr tematic method in making appropria-

Mr. Fitzgerald asserted that in the popular mind extravagances in appropriations were attributed to the executive departments. He expressed the namory was kept green. In 1745 or thereabout, when the Hanoverlan dynasty was firmly established, there came a famous naval victory off Campobello under Admiral Vernon, "Old Grogram," who gave the name of "grog" to both the British and American navies. In principle of the property of t ram." a law preventing Congress from pass-both ing legislation to increase any appro-s. In priation beyond the estimates of the departmental bureaus.

Such a provision, he declared, was in the Constitution of the Confederate States of America and it would be a valuable addition to the present laws

RUTHLESS WAR.

Amiable Opinion of Uncle Horace
Greeley in 1860.

To the Editor or The Sun—Sir:
To-day's Sun publishes a letter from a correspondent giving extracts from works by two well known Americans in which very brutal advice is offered conwhich very brutal advice is offered conin the sold engages in war, then there shall be wars no more.

Beautiful thought!

War is hell. When peace is hell, the shall be no more war.

The armies in Europe are fighting because the panoply of Mars is more factinating to them than the plumage of the Dove of Peace.

The common soldler is engaging in war, then there shall be wars no more.

Beautiful thought!

War is hell. When peace is hell, there shall be no more war.

The armies in Europe are fighting because the panoply of Mars is more factinating to them than the plumage of the Dove of Peace.

The common soldler is engaging in war, then there shall be wars no more.

Beautiful thought!

War is hell. When peace is hell, there shall be no more war.

The armies in Europe are fighting because the panoply of Mars is more factinating to them than the plumage of the Dove of Peace.

The common soldler is engaging in sudden access of ioy altry, since about that time occurred the final defeat of the Stuart pretensions known as the rising of 1745.

In presenting the sundry which carries \$125,927,538, Mr. Fitzgerald's Warning.

In presenting the sundry of 1605, and yet his name usually appears in most music books as the author of both.

The common soldler is engaging in the carries since the stream of the old words and melody of 1605, and yet his name usually appears in most music books as the author of both.

The common soldler is engaging in the carries since and conscious service became the English shibboleth. When Haydn visited London toward the close of the eight enter time occurred the final defeat of the Stuart song, and it was widely sung in a sudden access of ioy.

In presenting the sundry which carries \$125,927,538, Mr. Fitzgerald's Warning.

In presenting the sundry which

te comfort, hell to hope.

He should engage in the pursuits of peace in the same spirit. In peace he should look for no selfish reward, immolate himself, die daily.

Why cannot business see that this is

folksoms, a tune that is so good that it is common property. The late Dudley Buck once said to me: "The man who wrote that tune knew just what be wanted." Its compass is only seven notes and, any one can sing it, which is the common property of all folksongs.

As to "America," the late Rev. Dr.

building projects so as to ployment for the idle.

Representative Gillett of Massachu setts, ranking Republican member of TO THE EDITOR OF THE SUN—Sir: In Committee on Appropriations, chided regard to "God Save the King," in the Representative Fitzgerald for his failure book just out, "A Great Poscemaker" to discuss the condition of the Federal (Galbatin), the diarist states that the original manuscript is in the Arsenal at sundry civil bill is under consideration. Geneva, Switzerland, and that it is He declared that a bond issue will be attribute the music to necessary to maintain the credit of the Handel.

NA CADWALADER EVANS.

Government and he denounced the extravagance of the governmental depart-

ments. Mr. Gillett said "I still think that in the present fisca year we are likely to face a deficit and that before the first of next July the Government and keep a balance in the

Treasury. To the Editor of The Sun—Sir. I would like to know why the Rogers-Walters case arouses so much sentimental pity among those who should know better?

I do not think them any more deserving of the poor ignorant into the poor ignorant into the poor ignorant. ing of pity than the poor, ignorant couple who were sentenced to prison.

Have they wealthy and influential all during the next four months, and Have they wealthy and influential all during the next four months, and relatives and friends back of them? I

relatives and friends back of them? I should judge so.

This is certainly a mad world. We condemn polygamy, yet laugh and sympathize with the man who has "affinities." A Woman Lover of Justice.

New York, February 6.

Among these were \$10.000.000 for public buildings which have not yet been begin and for which no contracts are outstanding. He also advocated deferring the item of \$3,000,000 for the physical valuation of railroads.

He added that his main criticism of the bill was that no systematic effort had been made to survey the whole field and outline a system of economy

Mr. Gillett recalled the fact that few years ago the Democrats made loud complaints because of the number of horses and carriages maintained for officials of the departments at Government expense.
"I observe now that for the use of

the Secretary of War we appropriated for two four seated carriages, two two salary allowed them, for nothing else but to examine the news that is brought, whether it is true or not?"

WILLIAM LEE HOWARD, M. D.

the other whistles, and between the two stated carriages and in addition to this whether it is true or not?"

by the other whistles, and between the two stated carriages and in addition to this whether it is looked upon as a crank by these insects. There is no hope of exterminating

army a \$4.850 automobile," he said.

Mr. Gillett gave the following example of nepotism in high Federal official circles: "In glancing over the list of special

Attorney-General knew earlier than we did of the and mating principle of the Premier of thi Administration expressed so forcibly the now famous Vick letter and indi cating that Government offices exist i order to give employment to Democrats, and, of course, all

of the family should be included." The receipts at the Custom House for

duties on imports dropped a little lower last week, the total being \$2.057,353.04 noon were \$213,528.83, o which \$86,115.12 was for duties on goods Egbert Yale were among the names sug- and \$127,413.71 was for duties on re-
